Application fees must be paid before applications are processed. An application fee is \$40 per person, IT WILL BE A HIGHER FEE IF EMPLOYMENT IS VERIFIED THROUGH THE WORK NUMBER. An application is considered "complete" upon receipt of a signed application, 2 months' worth of pay stubs, screening fees AND viewing of the unit. Applications WILL NOT be accepted unless complete. **We will only wait for responses for up to 48 hours in regards to an application. After that time, if we have another application, we will move on to the other application.** False or misleading information provided by applicant(s) (written or verbal), or omission of material fact will result in denial of application. Prospect(s) must provide non-expired, government issued identification such as: state ID or driver's license, military ID, or passport. Proof of social security number, either through social security card or a copy of a government issued form with it listed is also required.

Holding Form must be signed and fees must be paid within 24 hours after approval to hold the rental unit. Unit will be considered available until all items above are received and/or fulfilled.

Employment **must be verifiable** through employer HR department providing a fax number or email address. If your verification requires going through THE WORK NUMBER the prevailing fee will be added. **Applicants with less than 9 months of consecutive employment may be denied.** Prior 60 days' worth (2 months) of pay stubs are required to document income. The monthly income requirement for a single-family home or apartment with no covered utilities is 3x the amount of rent; for an apartment with partial utilities paid the income requirement is 2.5x the amount of rent. **Income must be verifiable.** Applicants must qualify separately if they do not have 1 year of shared verifiable rental history.

Non-employment must be verified through statements from the Agency providing income to the applicant (Social Security, Disability, military retirement etc.) or a bank statement for 2 months. Self-employment must be verified through tax records for the previous 2 years.

A credit report will be pulled, eviction records, and criminal background check will be performed. Applicant may be denied for: open, dismissed or discharged bankruptcy within a 12-month period. No unauthorized pets or occupants, to include sub-letting. Applicant(s) with credit score lower than 599 may be denied or required to pay additional security deposit. We DO NOT pre-screen and all individual screening decisions are made on a case by case basis. If a co-signer is required, the co-signer must fill out an application, provide verification of income, and must be able to support their **current financial obligations coupled with the applicant's rent obligation.**

Renters insurance is **required**. Tenant (s) must **buy and maintain** insurance during their tenancy. Proof of insurance must be provided prior to occupancy.
